

A strong network, strong partners

The German economy is well organized. Germany Trade & Invest provides you with direct access to all of its important actors. As the hub for a global network, we maintain close working relationships to a number of institutions including:

- Federal Ministry for Economic Affairs and Energy
- Federal Foreign Office and diplomatic missions overseas
- Economic development agencies of the federal states and German Chambers of Commerce Abroad
- Chambers of Industry and Commerce as well as the Chambers of Trades in Germany
- Trade and industry associations, federal associations of the German economy
- Initiatives and clusters in industry and research and development

Contact us to find out how we can put our contacts to good use for your project.
